Ahmedabad-made electric car steals show

Claiming to run 1,000 km in one charge, Ahmedabad-based Golden Arrow Wireless Pvt Ltd (GAWPL) showcased electric sports car with Made in Gujarat tag along with foreign and Indian automobile manufacturers at the Auto Show on Friday. Shashi Vyas, the owner of GAWPL, said that the sports car is available in three models ranging from Rs 15 lakh to Rs 25 lakh and has been developed at Aslali facility of the company. GAWPL is constructing a passenger vehicle manufacturing unit in Chhvattisgarh and plans to enter Gujarat as well.
